

RUI ROBOREDO MADEIRA
VINHOS DO VALE DO DOURO

“Extremely fresh and mineral aroma, citrus and floral notes very typical of Douro white wines. Fresh and full bodied on the palate.

Serve with grilled fatty fish, shellfish, sushi and Italian cuisine.”

Rui Roboredo Madeira

CASSA WHITE / 2019

Young wine / 4 months ageing in stainless steel vats. / Native Grape varieties: Viosinho, Rabigato, and Códega do Larinho / Schist soils.

GRAPES

Viosinho (40%), Rabigato (50%), Códega do Larinho (10%).

ORIGIN

Old vines with an average altitude around 550 meters above sea level. We look for more acid grape varieties like Rabigato, or the blend of grapes of the old vines, where low crop levels allows a better balance between flavours and acidity.

VINIFICATION

Hand-picked grapes. Cold fermentation technology on reductive environment, with controlled temperature at about 16°C. Very gentle crushing and pressing in an inert atmosphere to preserve all the aromatic potential of grapes. We made a great effort that all the pre-fermentation operations were carried out with great accuracy to preserve the intrinsic quality of the wine.

AGEING

4 months in stainless steel vats.
